[External email]

Hi, Meera. Thanks for meeting with EPA and our senior leaders last week on SRF. I wanted to share a copy of the letter we sent to BC yesterday in that regard. As Greg Sopkin and Jane indicated in our meeting with you, we have a strong interest in having US experts do a deeper review of the results thus far. We look forward to working with the province and Teck to facilitate that. Feel free to give a call if you want to chat. Best,
Ayn
